Job Title: Superintendent, Chief System Operations

Agency: New York City Transit

Job ID: 97827

First Date of Posting: 9/22/2020

Last Date of Filing: 10/6/2020

Compensation

Salary: $83,463 (Min); $107,695 (Mid)

Compression minimum: $102,000

Responsibilities

The selected incumbent will be accountable for coordinating, monitoring and directing the operation of the A, B1 or B2 Division Power System to ensure adequate, safe, continuous and reliable supply of electrical traction, signal & auxiliary power along the right of way for the operation of NYCT Rapid Transit System. Oversight of a 24 hour-a-day electrical equipment of Rapid Transit Power System SCADA, Control & Battery transmission lines, negative system integrity, battery backup (UPS). Is responsible for a 1100-megawatt power system composed of 224 substations with 380 rectification units. This system supplies all traction power to 476 miles of third rail in all four boroughs served by the Rapid Transit System. The substations operate at 27,000 volts and directly affect the NYC Transit ability to provide Rapid Transit service and various electrical system equipment and appurtenances in both power substations & EDR’s along the subway right-of-way or in station areas. Accountable for managing activities of hourly and supervisory employees engaged in various cable system maintenances, upgrades, replacement and duct system repair operations.

Education and Experience

Five (5) years of full-time experience in power operations of a Rapid Transit System, of which three (3) years must have been in a managerial/supervisory capacity; or a satisfactory combination of education and experience.

Desired Skills

- In depth knowledge of electrical power theory and operation practices, high voltage safety procedures, and maintenance and testing procedures.
- Knowledge of rapid transit operating procedures.
- Knowledge of signal operating procedures.
- Strong analytical and problem solving abilities.
- Ability to make sound decisions under extreme pressure.
- Excellent verbal and written communication skills.
