Veterans Career Development

Vets-to-Feds (V2F) Career Development Program: Cybersecurity

Are You:

★ A veteran interested in a career in Cybersecurity?

★ A student veteran, a recent graduate, or looking for a career development position?

Do You:

★ Want more than just a job?

★ Want to continue to serve your country?

If you answered "Yes" to these questions, we may have a career for you!

The Vets-to-Feds (V2F) Career Development Program for Cybersecurity offers the opportunity to gain valuable on-the-job training and experiences related to the cybersecurity career field. Positions can vary and may include Information Security, Digital Forensics, Customer Support and more. Applicants can be hired under two hiring authorities: Veterans Recruitment Appointment or Pathways Recent Graduate.

Sponsored by the Interagency Council on Veterans Employment, this program is designed to recruit and support the development of our nation's veterans for careers within the Federal Government.

This exciting program includes:

★ Challenging work assignments

★ Potential for accelerated promotions

★ Benefits package that includes annual leave, sick leave, health and life insurance, retirement plan, paid Federal holidays, and more
